

## Welcome To ROYAL PROJECT SUPPLIERS

In Any Industries either Small, Medium or Big Three fields product require the most that are Civil, Mechanical & Electrical and any Project at the time of Implementation or at the time of running stage. In Implement Stage it might be require in bulk Quantities while in running stage it require as maintenance. That's why these three fields are known as evergreen fields. There are continuous improvements in these fields also & day by day new you found something new is invented for making work done with ease.

Electrical is such a field or you can say Technology without which now a days no one can imagine living is possible in every aspect of life now a days electricity is required it's now become our daily need or you can say we are addicted with it. We feel proud to say that by doing trading of industrial electrical goods we try to satisfy our customer / society needs by putting our 100% efforts.

We would like to introduce as ourselves as one of well-known traders in Industrial Electrical Goods, in our entire India region. We are dealing in many well-known products in this category & we also have good numbers of satisfied customers.

Royal Project Suppliers Has started business in 2016. Today after we are a nationalized company with a massive client from all over India. We have got success in catering almost all type of customers whether its manufacturer, dealer, wholesalers & retailers. Also we have catered all category customers like control panel board manufacturer, textile machine manufacturer, machine manufacturer, private electrical contractor or government electrical contractor.

Within short time we have satisfied all our clients with our best quality products & 24x7 services. We ensure that our customer get the best of services & support at their doorstep. We shall be honoured to be a part of system development process right from the beginning to serve our customers with the right products that can save your time & energy.

We have served our customers with the right solution at the right time at their doorstep. Our company made capable to select the right components of your solution.

We deal in:-   

## OUR PRODUCTS:-

- » Earthing Material
- » Control and Signalling Devices
- » Electrical Enclosures and Junction Boxes
- » Flame Proof Electrical Equipment
- » Household Switches
- » Electrical Panel
- » Fuse
- » Relay
- » Contactor
- » Cable Lugs
- » Cable Gland and PVC Hood
- » Plug & Socket Connectors
- » Plug & Socket Connectors
- » Light Fitting And Fixtures
- » Limit Switch and Sensor
- » Wires And Cables
- » Heating Element
- » PVC Sleeves, Ferrules and ferrule printing machine.
- » Cable Ties
- » Switchgear materials
- » Crimping Tools
- » Transformer and Coils
- » Industrial Fans , Three phase and single phase energy meter
- » Testing Meter
- » Cable Tray and accessories

## 1. Earthing Material

We are engaged in supplying an extensive range of Earthing Materials that includes:

- \* GI Flats and Plates
- \* Copper Flats & Plates
- \* GI Bolts & Nuts
- \* GI Pipes
- \* GI Wire
- \* Copper Strip
- \* GI Patti
- \* Rubber Mat
- \* Bus Bar
- \* Lighting Arrestor
- \* All Types of Earthing Material.

**Note: The products displayed in the photos may/may not be the same.**

## 2. Control and Signalling Devices

We are Leading Supplier of all types of Control and Signalling Devices in Reputed Make Like: Technic, Telemecanique and many more.

Our company is offering a wide range of control and signalling devices that are available in flush & project type and metallic body. Fabricated from top quality materials, these devices are known for their durability, high efficiency and ease operation. We offer these devices at most competitive prices.

The other devices that we offer include:

- Flush, Spring return
- Projecting, spring return push
- Mushroom Ø 40 push-pull
- Selector for different executions
- Twin, spring return
- Pilot Light
- Flush, spring return
- Projecting, spring return
- Selector for different executions
- Pilot Light
- Pilot Light with integral cluster LED
- Twin, spring return

**Note: The products displayed in the photos may/may not be the same.**

## 3. Electrical Enclosures and Junction Boxes

we are Leading Supplier of all types of Enclosure and Junction Box in Reputed Make Like: Hansel.

We are offering high quality electrical enclosures and junction boxes. These junction boxes are manufactured from top quality materials thus providing maximum satisfaction to our clients.

Further, our range of enclosures provides many choices for enclosing electrical and electronics equipment operating in hostile, harsh and demanding environments of industrial plants, unprotected out door areas, marine engineering applications and the areas with increased safety. We offer these enclosures and junction boxes at most competitive prices.

We have the Junction Boxes with Following Specification:-

- 1.) Weather Proof Junction Box.
- 2.) MS Enclosures.
- 3.) All Types of Enclosure and Junction Box.

**Note: The products displayed in the photos may/may not be the same.**

## 4. Flame Proof Electrical Equipment

Our company offers a wide range of flame proof electrical equipment that is appreciated for less power consumption, low maintenance and resistance to fluctuation and offer trouble free performance.

Our range includes:

- Hand Lamp
- Switch Fuse Unit
- Vessel Lamp
- Well Glass
- Air Break Direct-on-line Starter
- Air Break Fully Automatic Starter
- Fire Alarm
- Fluorescent Tube light Fitting

Note: The products displayed in the photos may/may not be the same.

## 5. Household Switches

We are Leading Supplier of all types of switches in Reputed Make.

We offer our clients with a premium range electrical household switches that adhere to the latest technology and the industry accepted standards. These are manufactured from top quality materials in accordance with international quality standards. We also offer customized facility for these switches as per the specifications of our clients.

Our range includes:

- Access Control
- Control Units
- Dimmers, Fan Regulators
- DP Switches-Push-Buttons
- Energy Sockets & Switched Sockets
- Euro-US & British Standard Sockets
- Indicators
- Telephone Sockets
- Voltage Surge Protectors
- MCBs
- Hub line
- Buzzer

## 6. Electrical Panel

We are leading **manufacture** & Supplier of all type of Panel in Reputed Make. We offer all types of Electrical Panels as per the technical details specified to us by our clients.

In this category, we offer the following to our clients:

- Starter Panel
- MCC Panels
- PCC Panel
- DB Panels
- Feeder Panel
- Instrumentation Panels
- APFC Panel

Manufacturing HT Panels & LT panels

## 7. Fuse

We are Leading Supplier of all type of Fuses in Reputed Make.

We are one of the eminent suppliers of C&S, Busman, GE, L&T, and Siemens Fuses that are very popular brands in the market. Our range of fuses is known for their compact size, high performance, easy installation and weather & dust resistance. Moreover, we offer this durable range of fuses in sheet steel enclosures with adequate wiring space. These fuses are also widely demanded for their resistance against thermal shocks and great bursting strength.

## 8. Relay

We are Leading Supplier of Relay in Reputed Make.

Relay interface modules are available in different channel densities via 1, 2, 4 & 8 channel Relay Interface Module and choice of features such as with / without fuse and with / without relay mounting base.

### Applications

- Interfacing of PLC I/O s to field Sensors & actuators.
- Multiplication of PLC O/Ps for separately driving actuators, annunciators & other devices.
- Isolation of high voltage load & input devices from sensitive PLC electronics.
- Providing channel wise isolation for PLC inputs & outputs.

### Benefits

- Specially designed rugged DIN clamp with metallic base provides immunity against vibration.
- Host of I/O wiring options selectable thru 'on-board shorting links reduces the wiring time
- UL certified non-self-loosening terminals provide reliable connectivity.
- PLC specific Relay Interface Modules with prefab cables facilitates.

Note: The products displayed in the photos may/may not be the same.

## 9. Contactor

We are Leading Supplier of Contactor in Reputed Make.

Contactor is specifically designed for the purpose of establishing or interrupting AC current circuit. Suitability varies depending upon frequency, rated insulation voltage and rated operation current.

Note: The products displayed in the photos may/may not be the same.

## 10. Cable Lugs

We are Leading Supplier of Cable Lugs in Reputed Make like: Dowells, Comet, Hex, Jainson, Action and many more.

We provide Copper Lugs to meet the demands of our global clients. These are made using pure electrolytic copper to ensure durability and minimum maintenance. Our range of copper lugs are available with different stud hole sizes as required.

Note: The products displayed in the photos may/may not be the same.

## 11. Cable Gland and PVC Hood

We are Leading Supplier of All Types of Cable Gland With leading Manufacture like: Comet, Dowells, Oswal, HMI, and many more.

The cable glands are utilized across industries for connecting cables with different equipments. We offer various types of cable glands to fit all sizes and types of fixtures. The products are made using good quality metal and non-metallic materials sourced from trusted vendors.

Note: The products displayed in the photos may/may not be the same.

## 12. Plug & Socket, Connectors

We are Leading Supplier of all type of Plug & Socket in Reputed Make Like: Balaji, Jigo, Legrand, Schneider, Ball and many more.

Our clients can avail from us a comprehensive range of high quality industrial plugs & sockets which is well known for providing better mechanical strength as well as electrical properties. For better contact and safety, these plugs and sockets are offered with self locking design.

Our range includes:

- **P17 Tempra Plug and sockets**
- **New Hypra Multipin connectors**
- **Hypra prisinter and Hypra plugs and sockets**
- **Metra metallic plugs and sockets**
- **P17 Tempra combined units**
- **Metallic plug and socket DB's**
- **Wall socket outlet**
- **Plug**
- **Panel Socket**
- **Angled Plug**
- **Wall socket outlet and many more**

Note: The products displayed in the photos may/may not be the same.

## 13. Light Fitting And Fixtures

With our expertise, we are offering our clients a wide range of lamp lighting fitting and fixtures, which are in compliance with the global standards. These are flame proof, weather proof & rugged in construction and are thus widely demanded amongst our clients. We offer these fitting and fixtures at market leading prices.

Our range includes:

- **Electronic Decorative Batten for wall / Ceiling Mounting**
- **Decorative CFL Wall Lighter for Wall Mounting**
- **Non Integral Industrial Well glass Luminaries**
- **Recess Mounting Luminaries with Tapered Lamellae**
- **Road Lighting**
- **Flood Lighting**
- **Post Top Lantern with Conical Cover**
- **Floodlight Luminaries**
- **Integrated Ballast Unit**
- **High Pressure Sodium Vapour SON**
- **Street Light Luminaries**
- **Recessed-Mounted Luminaries**

Note: The products displayed in the photos may/may not be the same.

## 14. Limit Switch and Sensor

We offer limit switches and sensors that are perfectly designed to meet the varied needs of our valued clients. These are fabricated from top quality raw materials and as per the latest international standards. These are known for their compact design and high efficiency properties. We offer these machines in various specifications as per clients' requirements at market leading prices.

Our range includes:

- Limit Switch
- Single Plunger Limit Switch
- Multiple Plunger Limit Switch
- Multiple Limit Switch
- Proximity Sensor
- Selector Switch
- Push Button
- Emergency Stop
- Indicating Light
- NO/NC Element
- Illuminated Push Button LED
- Lum. Selector Switch
- All types Electricals Sensor and Switches

Note: The products displayed in the photos may/may not be the same.

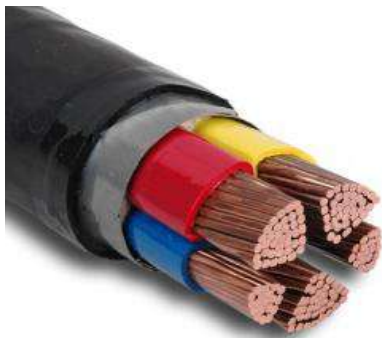

## 15. Wires And Cables

We offer Wires and Cables. We offer these wires and cables in customized specifications as per the requirements of clients at market leading prices. In this range we offer PVC Cables, Flame Retardant PVC Wires and Cables, PVC Insulated Cables, XLPE Power Cables.

### PVC Wires and Cables

we offer Wire and Cables of Different Brands Like: – POLYCAB, RR KABEL, HAVELLS, JACSON, AVOCAB, Etc. We offer cables that are fabricated by experienced and expert personnel as per the latest international quality standards. These are known for their compact design, robust construction and high efficiency features. We offer these cables in customized specifications as per the requirements of clients at market leading prices. Catered to the needs of common man, industrial consumers, projects etc. Our cables ranges are as below:

- **PVC Cables**
- **Flame Retardant PVC Wires & Cables**
- **XLPE Cables**
- **Cross Linked Polyethylene Power Cables**
- **PVC Insulated Cables**
- **XLPE Power and Control Cables**
- **XLPE Power Cables**
- **Screen Cables / Shielded Cables**

## 16. Heating Element

We are Leading Supplier of all types of Heating Element in Reputed Make. Our company is engaged in offering a wide variety of heating elements that are designed to heat water for bathing and other purposes. These heating elements are immersed in the water for heating it to the desired temperature. These elements are quick and shock resistant.

The range offered to our clients includes:

- **Kettle Elements with Ejection Devices**
- **Commercial Water Immersion Heating Elements**
- **Oil Immersion Heating Elements**
- **Alkaline and Chemical Immersion Heating Elements**
- **Heating Elements**
- **Custom Built Heating Units and Elements**

Note: The products displayed in the photos may/may not be the same.

## 17. PVC Sleeves, Ferrules and ferrule printing machine.

We are Leading Supplier of all type of sleeves and Ferrules printing machine any reputed make: Max, Canon and any more....

Our range includes:

- **Printing Ferrule Sleeves colour includes: White, Yellow, and Green available.**
- **PVC Sleeves in any colour**
- **Cable Marking ferrules**
- **Ferrule printing machine**
- **Heat shrinkable sleeves / Bus bar sleeves**

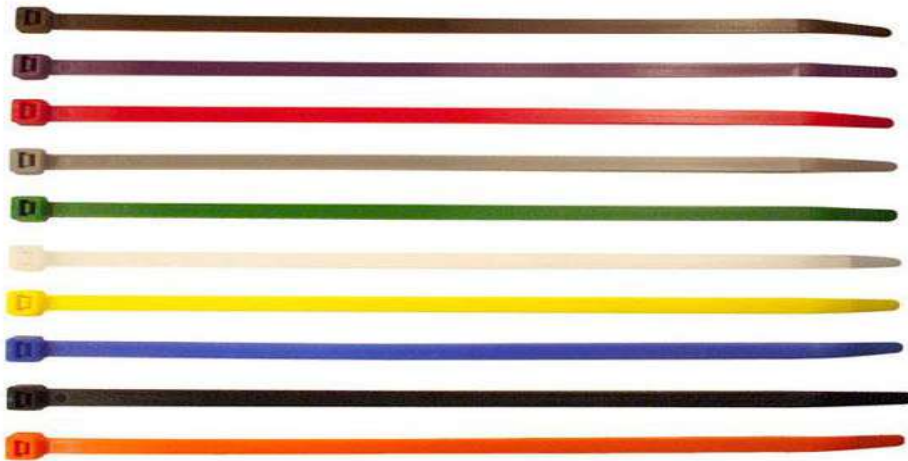

Note: The products displayed in the photos may/may not be the same.

## 18. Cable Ties

We are Leading Supplier of all type of Cable ties in any colour and any reputed make: Flucon, KSS, VSS, JIGO, and any more....

Our range includes:

- **Nylon Cable Ties**

Note: The products displayed in the photos may/may not be the same.

## 19. Switchgear materials

We are leading Supplier of all type of Switchgear Materials any reputed make: Schneider, Hager, SIEMENS, Havells, Indoasian, L&T, Legrand, and any more....

Our range includes:

- **RCCB / ELCB**
- **MCB**
- **MCCB**
- **RCBOs**
- **Change over switch**
- **All type switchgear accessories**

## 20. Crimping Tools

We are Leading Supplier of all types of Crimping tools in Reputed Make. We offer our clients with a premium range electrical Crimping tools that adhere to the latest technology and the industry accepted standards.

Our range includes:

- Hydraulic Crimping Tools
- Hand operated crimping tool

Note: The products displayed in the photos may/may not be the same.

## 21. Transformers and Coils

Our company is engaged in offering a wide range of HT line power distribution boards that are designed, tested, wired and assembled with various electric switchgears like MCCB's / MCB's installed inside it. Made of high grade copper or aluminium bus bars, our PDB's can provide up to 4000 amperes incoming power distribution with single or multiple incomings. We offer these boards are available at most competitive prices.

- HT Transformers
- Mini transformers
- CT Coils
- Contactor Coils

Note: The products displayed in the photos may/may not be the same.

## 22. Industrial Fans , Three phase and single phase energy meter

We are Leading Supplier of all types of Industrial Fans, Three phases and single phase energy meter in Reputed Make: Almonard, Khaitan, Havells and any more. We offer our clients with a premium range electrical Industrial Fans, three phases and single phase energy meter that adhere to the latest technology and the industry accepted standards.

- Industrial Wall Fans
- Industrial Pedestal Fans
- Industrial Exhaust Fans
- Three Phase energy meter
- Single Phase energy meter

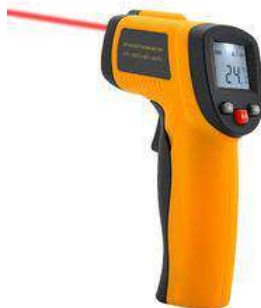

Note: The products displayed in the photos may/may not be the same.

## 23. Testing meters

We are leading Supplier of all type of Testing meter any reputed make: MECO, Kusam Meco, Meco-G, Meco-V, Motwane, Fluke, Rishabh, Nippen, Raytek, ME, Nishant, CIE, Waco, Udeyraj, HTC and any more...

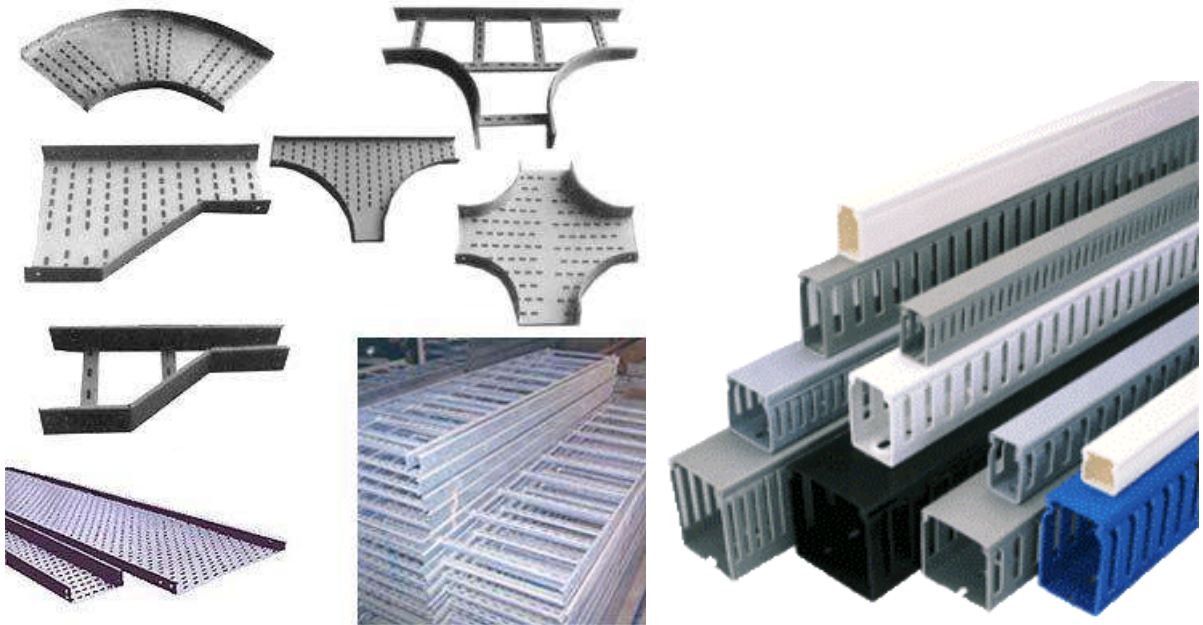

Our range includes:

- Digital Clamp meter
- Digital Insulation meter
- Digital Multi meter
- Digital thermometer
- Earth tester
- Digital Lux meter
- And any more as per your requirements...

## 24. Cable Tray GI, PVC and accessories

We are leading Supplier of all type of Cable Tray and accessories any reputed make.

Note: The products displayed in the photos may/may not be the same.
